19 January 2012

Dear Nigel

Thank you for your letter of the 13 January 2012 in which you ask for a "positional statement" from the CNPA on the findings of the Police Arbitration Tribunal (PAT) on the Winsor Report Part 1.

I have been asked to respond on behalf of the CNPA. As you know, our employer, the CNPA, is searching for the best pay deal it can offer in the current economic climate. The CNPA note the PAT findings and will consider them alongside the other advice and comment it has received.

The CNPA is currently consulting with DECC officials and through them to the Minister on how best to proceed with the development of a revised pay and reward package.

The CNPA hopes that it will soon be in a position to consult with you on an agreed set of proposals.

Yours sincerely

John Sampson
Deputy Chief Constable
