Dear Mr. Dennis;

Thank you for your interest in the International Council of Police Representative Associations (ICPRA).

The ICPRA Executive Committee discussed the CNPF membership inquiry on our March 2009 conference call. From that discussion we are aware that the CNPF recently became a member of the European Confederation of Police (EuroCOP). EuroCOP approved affiliation with ICPRA in November 2007 and EuroCOP was confirmed as a member of ICPRA at our October 2008 meeting in New Zealand.

I am pleased to advise your membership that as a member of EuroCOP, CNPF is already a member of ICPRA. Please be advised that CNPF may affirm ICPRA affiliation and use the ICPRA logo on CNPF communications.

Once again, thank you for your interest in ICPRA: Welcome to this international network of over 1 million national police association members. We look forward to your participation.

Respectfully yours,

Dale Kinnear
General Secretary
International Council of Police Representative Associations
